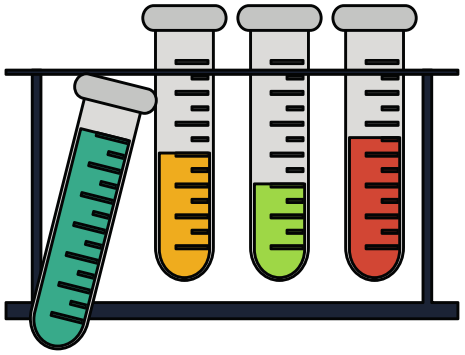
SUMMER exploration Open MAKERspace



Tuesdays at 6pm and Fridays at 12-1:30

What is a MAKERspace?

A space where people work together to make, learn, explore, share and grow! It encourages hands-on-learning, critical thinking skills, and other important 21st century skills (STEAM – Science, Technology, Engineering, Arts, Math).

Our Room 111 MAKERspace will be open for all ages each Tuesday at 6pm and Fridays at 12 with 4-5 MAKER activities out to explore.
