

CONSTRUCTION ALTERNATE ROUTES

Berks County Public Libraries

1040 Berks Road, Leesport, PA 19533

A bridge on County Welfare Road will be under construction, blocking the most direct route to the Library System office from the CVS light. An alternate route is outlined below.

Note: the bridge closure only affects traffic coming from the CVS light on Route 183. This **will not affect** those traveling south on Route 183.

Directions from Route 222 North

Traveling on Route 222 North, take the PA-183/Bernville Road exit toward Strausstown on your right. Stay in the left two lanes to make the left turn onto Route 183. The right lane will end after the next traffic light—you will need to merge into the left lane.

Stay on Route 183 for approximately 1.1 miles.

Turn left onto W Leesport Road at the traffic light. CVS will be on your left. Follow W Leesport Road for approximately 0.3 miles.

Make a right turn from W Leesport Road onto County Welfare Road, the bridge construction will be just before the Agricultural Center.

Turn left onto Hilltop Road to detour. While there may be signs to turn right for the detour, this will require you to later make a left-hand turn onto Route 183 during the morning rush.

Follow Hilltop Road for approximately 0.5 miles until you come to the first stop sign. Continue straight onto Hilltop Road before making the next available right onto Rebers Bridge Road at the following stop sign.

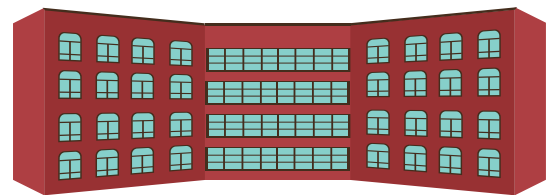

Continue following the road for 0.5 miles. Just before the open grate bridge, make a right onto Palisades Drive. In 1.1 miles, make a right onto County Welfare Road.

In approximately 0.5 miles, take the first available right turn onto Berks Road.

Follow the road for approximately 500 feet and **make the first available left turn** at the long driveway (it will be closer than you think).

Follow the driveway back to the rear parking lot for visitor parking. Please do not park in the row closest to the building.

Take the sideway to the visitor entrance past the overhead canopy/loading dock. Walk through the sliding doors and the second set of double doors. The System Headquarters entrance will be on your right. Use the intercom button to notify a staff member of your arrival.

Make a right turn onto Palisades Drive and follow the road for approximately 2.0 miles until you reach a stop light. This will be the intersection for Route 183. Turning left will take you north on Route 183. Turning right will take you south on Route 183 towards Route 222.
