

# Blueberry Sale Order Form

Mifflin Community Library is partnering with Immanuel UCC for their annual Blueberry Sale. Each box of blueberries contains 10 pounds of freshly picked New Jersey blueberries. The grower picks one day and delivers to Immanuel UCC the next. The blueberries are large, sweet and ready for freezing.

The cost for a 10 lb. box is \$32.00. If that amount is more than you are able to use/ freeze, why not team up with a friend or neighbor and split the cost?

The grower estimates that the blueberries will be ready for pick-up sometime during the first two weeks in July. We will notify you by phone or email (per your completed form) with the exact date of delivery as soon as it is known.

**Pick up will be at Immanuel UCC, 99 South Waverly Street, date TBA.**

To order, please complete the form below and return to the Library by Saturday June 30 at 1pm with payment in cash or check (payable to Friends of MCL) .

Thank you for your support!
