

More Than Just Books

Dear Library Friend,

For many people the library is a place to check out books and movies for recreational use. However, the Boyertown Community Library offers other services that you may not have heard about. Did you know that the library offers:

- Free computer and Wi-Fi access
- Free access to amazing resources like Lynda.com, CreativeBug, RB Digital, Reference USA, Ancestry.com
- Study rooms and meeting spaces
- Passport services
- Passport photo services
- Low-cost copy and fax service
- Free scanning
- Tax forms
- Programs and classes for all ages throughout the year
- Summer programs that help prevent the summer learning slide
- Passes to the Elmwood Park Zoo, DaVinci Science Center, Boyertown Museum of Historic Vehicles, Reading Public Museum and the Berks History Center

Every year the money allotted for libraries decreases, while the demands for library services increase. The Boyertown Community Library continually expands the services we provide to meet the public's needs. These services are necessary to solve community problems such as finding a job, learning new job skills, or learning how to read. And our patrons have responded resoundingly.

"This is awesome . . . access to Lynda.com . . . the library is so amazing. I cannot say often enough how much I appreciate it!" ~Carol G.

"Our library is amazing.♥ It is clean, organized and the librarian on the children's floor is so nice! My daughter loves to play the educational computer and then pick out a book for home. ☺" ~ Erica N., Facebook post

"Visiting the library is just a nice activity, my family enjoys it. My youngest son, 11, has autism, and the social interaction in a safe environment is a wonderful outlet for us." ~2018 How Are We Doing? Survey Respondent

To help us continue the good work we are doing here, **we depend on donations** from members of the community like **you!** Please consider giving to the library this year. Your donations will keep quality programming and services available to everyone in the Boyertown Area and help the library reach its potential as a community center. Thank you in advance for your support.

Sincerely,

Lindsey Mason, Board President
