Mission: The Boyertown Community Library will serve the community's diverse needs by providing current informational, educational, and recreational resources.

Vision: The library will be a safe, comfortable, and welcoming space where people learn and discover, explore their passions, and find resources that contribute to a full life.

Values:

- We ensure fair and equal access to library resources.
- We serve all people, regardless of age, religion, gender, physical ability, sexual orientation, or economic status.
- We provide the highest quality of service guided by the kindness, compassion, and respect of expert staff.
- We offer programs, services, and spaces that forge a sense of community and support individual achievement.
- We encourage personal discovery, creativity, and growth.
- We build trust through fairness, transparency, and accuracy.
