

Reach for the...

<b>S</b>	<b>T</b>	<b>A</b>	<b>R</b>	<b>S</b>
Find 2 constellations in the sky.	Go to the Sunday Night Concerts in the Park.	Paint a space picture.	Read about a constellation myth.	Make a Goodnight Glow Cube @ the library.
How would you send a message to another planet?	Attend a religious service.	Make your own constellation picture.	Write your own myth that explains why something happens.	Learn about an unfamiliar religion.
Design a modern ark (boat for a big flood)	Do 5 kind things for others.	Complete a "Practice Makes Progress Activity"	Read a religious story.	Work on a puzzle.
Estimate the number of stars in the sky.	Attend a library movie.	Listen to a new music album.	Write a story set in Greece or Rome.	Compare or contrast 2 books by the same author.
Create your own wings (like Icarus).	When mad, follow the "Golden Rule."	Make a Mythical person or creature costume.	Find a book on mythology.	Read a myth that is not Greek or Roman.

WEEK 3: How did we get here?

Explore 200-299 in the Non-Fiction Section.
